*We specialize in Bare-Root
Field Grown Liners
Shade & Flowering Trees
Flowering Shrubs*

**SERVING THE INDUSTRY
SINCE 1977**

Dear Customer,

We would like to take this opportunity to say "Thank you" to all our customers, past and present.

We appreciate your business very much and hope you will continue to consider us as your source for Bare-root Liners in the future.

All boxes, packaging and shipping is charged to the customer at our cost.

**WE OFFER A PRE-PAY
DISCOUNT OF 5%**

**DOES NOT APPLY TO
CREDIT CARD ORDERS**

MINIMUM ORDER \$200.00

**We Gladly
Accept**

VISA

**50 or More gets 100 Rate
300 or More gets 1000 Rate**

*We take lots of pride in our Nursery
and always invite visitors at any time.*

**QUESTIONS MOST ASKED
by our customers:**

1. Q. What are the advantages of planting Bare-Root plants?
A. *Reduced cost of freight and ease of handling by the consumer.*

2. Q. Do Bare-Root plants have a high survival rate?
A. *If Bare-Root Plants receive proper care and careful planning is followed, losses are rare. We're always glad to give instructions.*

3. Q. When should one prepare their soil for planting?
A. *For Spring planting, we recommend breaking and tilling the soil in the Fall Season. For Fall planting, we recommend breaking and tilling in the summer.*

4. Q. How will my plants be shipped?
A. *Small orders will be shipped via UPS. Larger order will be shipped via motor freight. We're always happy to have our customers pick up their order. For larger orders, transportation can be arranged.*

**QUESTIONS MOST ASKED
by our customers:**

5. Q. What should I do upon receiving my order?
- A. *Plants should be placed in a cool, dry place, protected from freezing. Plants do better if planted ASAP. Always open boxes and dampen if necessary. Take out only a few plants at a time to prevent drying.*
6. Q. What type of Guarantee do your plants have?
- A. *We Guarantee our plants to be alive upon arrival. We also Guarantee our plants to be true to name. Any replacement or refund shall be limited to the original purchase price.*
7. Q. How does one place an order?
- A. *You may place an order by phone, mail, or e-mail.*
8. Q. Do you accept credit cards?
- A. *Yes, we accept Visa, Mastercard and Discover.*

**QUESTIONS MOST ASKED
by our customers:**

9. Q. What size container will I need if I am considering potting our plants?
A. *You will recognize RCS in the right column after the price. This is the container size we reccomend you use if you choose to pot you Bare-Root Plants.*
10. Q. When does your shipping season start and end?
A. *Our shipping season usually starts in Mid-November, depending on weather conditions. Spring shipping usually ends around April 15.*
11. Q. Where is your nursery located?
A. *We are located in Middle Tennessee, approximately 7 miles east of McMinnville.*

SPECIAL!!!**PRUNUS SUBHERTILLA PEDUNCULATA**

(Weeping Cherry)

These trees are grown in their own rootstock, producing a hardier tree at a lower price. These trees are covered with pink blooms which turn snow white before they fall in the spring. The leaves turn a brilliant orange in autumn.

They are drought and cold hardy (-20°).
